

Telehealth Policy Workgroup

September 30, 2020 Meeting Summary

- The Maryland Health Care Commission overviewed the purpose of the workgroup and key telehealth policy changes implemented in response to the COVID-19 public health emergency.
- Participants shared there are no definitive plans as of yet to introduce legislation in the upcoming session.
- Discussions highlighted increases in the volume of telehealth services provided since March 2020 noting some fluctuations over the last few months that still remain above pre-pandemic levels.
- Draft discussion items were reviewed by the workgroup for future deliberation.
